Summary

"As a recent graduate with a Bachelor's degree in Computer Applications and a Full Stack Developer certification from Kodnest, I am eager to kickstart my career in software development. During the COVID-19 pandemic, I served as a data entry operator in healthcare, earning recognition as a COVID Warrior. I bring strong problem-solving skills, a keen interest in learning, and a team-oriented approach to any software development role. My goal is to excel as a Full Stack Developer and contribute to exciting projects."
